### **PROFIT WARNING**

This announcement is made by Shenzhen Expressway Company Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to the Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “Board”) of the Company hereby notifies the shareholders and potential investors of the Company, based on the preliminary assessment of the unaudited consolidated management accounts for the three months ended 31 March 2020 (the “First Quarter of 2020”) and the information currently available, the Group is expected to record a loss in its unaudited net profit attributable to shareholders of the Company for the First Quarter of 2020, which has decreased by approximately RMB607.45 million (representing a decrease of approximately 130%) as compared with the same period in 2019. For the First Quarter of 2020, the unaudited consolidated profit attributable to shareholders of the Company is expected to be approximately RMB-140 million (same period in 2019: approximately RMB467.45 million), and the unaudited net profit attributable to shareholders of the Company (net of non-recurring profit and loss) is expected to be approximately RMB-160 million (same period in 2019: approximately RMB483.47 million).

The main reason for the decrease in net profit attributable to shareholders of the Company for the First Quarter of 2020, is due to the significant impact of the new coronavirus pneumonia epidemic (the “Epidemic”) on the production and operation activities of the Group. Pursuant to the requirement of the governmental department of transportation in the PRC, the Group had implemented holiday toll free policy during the period from 24 January 2020 to 8 February 2020, which was 9 days longer than the same period in 2019. Thereafter the Group is further requested to implement the toll free policy which exempts toll collection from all vehicles which legally use the toll highways (the “Epidemic Toll Free Policy”) from 0:00 a.m., 17 February 2020 to the end of the epidemic prevention work. During the First Quarter of 2020, the year-to-year revenue from the toll fees of the toll highways operated and invested by the Group has generally decreased by approximately 70%. At the same time, the Group is still incurring normal expenses on the operation costs of the toll highways. Therefore, the Group recorded a loss. For details of the above-mentioned toll free policy, please refer to the Company's 2019 Annual Report.

The information contained in this announcement should not be deemed as a basis to predict the Group's financial performance for the whole year of 2020.

The information contained in this announcement in relation to the First Quarter of 2020 is based on a preliminary assessment by the management of the Company with reference to the information currently available to the Company. Such information has not been audited or reviewed by the independent auditors of the Company. The Company's unaudited consolidated financial results for the First Quarter of 2020 is expected to be announced on 28 April 2020, and the information therein may differ from those contained in this announcement. The actual and accurate financial information shall be subject to the 2020 first quarterly report to be announced by the Company.
